Wave City Unveils Premium Residential Project

11 Oct 2024 3 Min Read CW Team

Wave City, North India's first operational Hi-tech City, has announced the launch of its latest premium residential project, "Eden." This modern development blends sustainability with luxury, offering state-of-the-art amenities designed to meet the needs of today's homebuyers.

"Eden" will feature G+31 storey high-rise towers, with three towers set to launch in the first phase, central park in Greenwood Enclave and other green spaces within Eden, Greenwood Enclave and other green spaces within Eden.

Residents will enjoy a host of amenities, including an Olympic-sized swimming pool, fine dining, and multiple recreational options within the clubhouse, ensuring a lifestyle of convenience and luxury.

Wave City, a Hi-tech Smart City is a pre-certified platinum-rated green township that offers residents the perfect synthesis of comfort, convenience and luxury. With ~ 4,200 acres of planned development and 1,470 acres dedicated to lush greenery and good road infrastructure, Wave City offers residents an amalgamation of comfort, luxury and serenity. With over 12,000 Possession Letters handed to residents and the abode for over 15,000 happy residents, Wave City provides residents with world-class amenities and 24x7 security and CCTV surveillance, coupled with a secured gated community and automated street lights, ensuring the safety and security of residents.

Encompassing noteworthy residential projects that include Veridia, Eligo, Dream Homes, Wave Executive Floors, Wave Floors and Swamanorath, and a premium commercial centre - Wave Galleria, Wave City offers a life of comfort and convenience.

Located adjacent to NH-24 and marked by good connectivity, Wave City has a wide network of roads, making it a perfect amalgamation of comfort, convenience and serenity. Surrounded by over 50 beautifully designed parks, a Central Park that spans across 6.5 acres of lush greenery, and a state-of-the-art sports academy to provide world-class sports facilities, Wave City offers residents a perfect synthesis of Nature and Comfort, paving the way for a truly serene and luxurious lifestyle. Situated close to several educational institutions, hospitals and landmarks, Wave City provides residents with a life of comfort, convenience and unparalleled luxury.

The township offers intelligent, sustainable and state-of-the-art housing facilities, with smart features like Central Command Centre, Smart Electric Grid, Intelligent Traffic, and Transport Management System, Water Management System, Cooking Gas Management, Waste Management, Homeland Security Management, Water Management, Solid Waste Management, City Portal, Street Light Automation and Air/ Fibre Optic connectivity. It also provides location benefits such as its proximity to Akshardham Temple, Noida (Sec-62), NH24 Expressway etc.
