"The Union Budget 2025-26 will push the growth trajectory further as it focuses on increasing the income of the middle class by expanding the nil tax limit to Rs 12 lakh, stressing ease of doing business, building urban infrastructure and launching fresh funds for completion of stressed residential projects. There will be accelerated growth in the real estate segment with the Govt. setting up a ₹1 lakh crore Urban Challenge Fund to transform cities into growth hubs, support creative redevelopment, and enhance water and sanitation infrastructure, which in turn boost residential real estate and create more housing and investment demand."

Finance Minister Nirmala Sitharaman today made history by presenting her eighth consecutive Budget, and the second one of the Modi 3.0 government.

The Budget has been lauded by NDA allies as a holistic one which offers something for everyone.

He added, "There will be accelerated growth in the real estate segment with the Govt. setting up a Rs 1 lakh crore Urban Challenge Fund to transform cities into growth hubs, support creative redevelopment, and enhance water and sanitation infrastructure, which in turn boost residential real estate and create more housing and investment demand."

Union Budget 2025 | Nirmala Sitharaman, as Finance Minister, presented her record 8th Union Budget this time. While inflation has burnt a hole in the pockets of 'aam janata', the Modi govt gave income tax relief for those making up to Rs 12 lakh per year in salaried income.
