Talented youth will get a chance, Sports Academy 'Sportzone' will be built in Wave City in collaboration with Delhi Capitals

 Newsbuzz · 4 days ago

Noida. Wave City has established a state-of-the-art sports academy in association with Delhi Capitals, the franchising cricket team of the Indian Premier League. 'Sportzone' has been launched. This academy will be built in Wave City, Ghaziabad. The Sports Academy is being built with an aim to provide excellent infrastructure and state-of-the-art facilities at affordable prices to the talented youth and sports enthusiasts living in the vicinity.

this sports facility Delhi Capitals There is also a proposal to set up a Cricket Academy, in which children between the ages of 5 and 16 will be trained. Wave City has joined hands with Cityscape Sports to train players.

IPL 2022: Umran Malik was not disciplined on the field, the coach had to be scolded

On this occasion, COO of Wave City, C.J. Singh said that at Wave Group, we believe that sports play an important role in improving physical fitness and overall development of an individual. Keeping this in mind, we as SportZone are developing such a great venue for sports lovers, which will not only motivate the residents to learn and enjoy the sport of their choice.

cricketer saba kareem And Jagrut Anand, Head – Types Delhi Capitals Academy said, "We are delighted to be associated with Wave Group. This is a very good initiative, which will encourage sports activities in this area and the search for sports talent and growth of sports will be done. Our aim is to give proper training to the youth and provide them a professional facility as soon as possible. We hope that with this alliance we will be able to connect with the cricket lovers of the area and will prove to be helpful in nurturing their talent.

Manoj Attri, Founder and CEO, Cityscape Sports said that I thank the Wave Group. He has given us an opportunity to promote sports in this field and train sports lovers so that we will be able to develop their sports skills. This partnership will prove to be a big step in giving state-of-the-art coaching to the youth and changing their lives.
